

JOB TITLE: CNC MACHINE OPERATOR (Experienced – EDM Preferred)

Weldon Pump, a Cleveland area company with over 80 years of manufacturing, is seeking an experienced CNC Machine Operator.

Responsibilities:

- Works under direct supervision and follows standard procedures and written instructions to accomplish assigned tasks.
- Experienced at reading and interpreting work orders, blueprints, materials, specifications, reference planes, locations of surfaces, and machining parameters, interpreting geometric dimensions and tolerances (GD&T).
- Capable of setting up mills and lathes by installing and adjusting two-, three-, and four-jaw chucks, tools, attachments, collets, bushings, stops, and stock pushers; indicating vices; etc.
- Experienced at setting up some, but not necessarily all, and operate mills, lathes, and EDM.
- Capable of continuous mental and visual attention, usually repetitive work or diversified operation requiring constant alertness or activity.
- Maintains safe and clean working environment by complying with procedures, rules, and regulations.
- Conserves resources by using equipment and supplies as needed to accomplish job results.

Required Qualifications:

- 3-5 years' experience on CNC machines
- High School Diploma or equivalent
- Mechanical aptitude with good physical dexterity
- Ability to lift/move up to 50 lbs.
- Attention to detail
- Computer knowledge

Preferred Skills:

- Programming experience - EDM a plus.
- Competent blueprint reading
- Ability to use basic QC gauges and hand tools such as caliper and micrometer

In addition to competitive compensation, we offer our employees a comprehensive benefit package including Health & Dental Insurance, Paid Time Off, and a variety of non-traditional benefits. We have an air-conditioned, clean, plant environment.

- Standard Work Hours – 7 am to 3:30 pm (M-F)
- Weldon Pump is an Equal Opportunity Employer.
- Job Type: Full-time
- Schedule: 8-hour shift
- Work authorization: United States (Required)
