

Warranty Policy

Weldon Pump warrants that all new PMA products and overhauled products sold by Weldon Pump LLC, Oakwood Village, Ohio, shall be free from defects in material and workmanship under normal and intended use and service.

Warranty coverage shall apply as follows:

- **New PMA Products:** Two (2) years or 500 operating hours, whichever occurs first.
- **Overhauled Products:** One (1) year or 500 operating hours, whichever occurs first.
- **Repaired Product:** 6 Months

Note: Certain OEM-specific products or programs may be governed by separate written warranty agreements which shall supersede this policy where applicable.

The warranty period begins on the date of installation onto the aircraft.

Warranty Conditions

This warranty applies only if all of the following conditions are met:

1. The product and warranty claim, with all requested supporting information, are returned through an authorized Weldon Pump distributor or service center, unless otherwise authorized in writing by Weldon Pump.
2. Units must be returned within thirty (30) days of the reported failure date and must remain in "as removed" condition. Products that have been disassembled, altered, or repaired outside of Weldon Pump, without prior written authorization, are not covered under this warranty.
3. No substitute parts or unauthorized modifications shall have been installed without prior written authorization from Weldon Pump.
4. The product must have been installed, maintained, and operated in accordance with applicable FAA-approved maintenance data, installation instructions, and aircraft operating limitations.
5. The product must not have been subjected to misuse, contamination, improper storage, corrosion, accident, improper installation, improper maintenance, foreign object damage, electrical anomalies, or operation outside approved specifications.
6. Warranty evaluation requires verification of the reported failure condition through Weldon Pump inspection and test procedures.
7. Regardless of installation date, warranty coverage shall expire thirty-six (36) months from date of manufacture unless the unit is returned to Weldon Pump for inspection and recertification.

Limitations & Exclusions:

Weldon Pump's sole obligation under this warranty shall be limited, at Weldon Pump's option, to repair, replacement, or credit for the defective product.

Weldon Pump shall not be liable for any consequential, incidental, indirect, special, or punitive damages, including but not limited to aircraft downtime, AOG expenses, removal or installation costs, labor, loss of use, loss of revenue, or third-party claims.

This warranty is exclusive and in lieu of all other warranties, whether express or implied, including any implied warranties of merchantability or fitness for a particular purpose.

Warranty Claim Process

All warranty claims should be submitted through the authorized Weldon Pump distributor or service center from which the product was purchased, unless otherwise authorized in writing by Weldon Pump. Customers may also contact Weldon Pump directly at info@weldonpumps.com for warranty assistance.

An RMA (Return Material Authorization) number must be issued by Weldon Pump prior to returning any product for warranty evaluation. Products returned without an authorized RMA number may be refused or returned to sender.

All products returned for warranty consideration must be shipped freight prepaid to:

Weldon Pump LLC

640 Golden Oak Parkway
Oakwood Village, Ohio 44146 USA

If warranty coverage is approved, replacement product or credit will be issued at Weldon Pump's discretion.
